PROFESSIONAL SUMMARY

Highly motivated Software Front-End Developer with hands-on experience in modern JavaScript frameworks (Next.js, React.js, Tailwind CSS). Proven track record in both tech and banking sectors — combining technical expertise with strong client-facing and analytical skills. Seeking to contribute to innovative projects in a dynamic, growth-oriented environment.

TECHNICAL SKILLS

- Languages: JavaScript, TypeScript, HTML5, CSS3, C#, SQL Server
- Frameworks: React.js, Next.js, Tailwind CSS, Bootstrap, Angular
- Tools: Git, GitHub, GitLab, Jira, Postman, API Documentation
- Other: Responsive Design, OOP, Debugging & Problem Solving, Continuous Learning

PROFESSIONAL EXPERIENCE

Software Developer | **Creative Mind Company** | Aug 2024 – Present

Golden4tic Platform (<https://golden4tic.com/>)

- Implemented payment gateway integrations with Apple Pay, MyFatoorah, and Al Rajhi Bank
- Developed vendor wallet system for transaction management
- Built user profile management system with complete account settings
- Designed and implemented responsive homepage showcasing products and promotions
- Created contact page with inquiry form and customer support integration
- Developed admin dashboard for platform management and analytics

TikEvent Platform (<https://v2.tikevent.com/>)

- Rebuilt authentication and login process with enhanced security
- Redesigned homepage with improved event discovery and user experience
- Implemented contact page with support ticket system
- Developed user profile section with booking history and preferences
- Created comprehensive FAQ section for common user inquiries
- Refactored and optimized multiple pages for better performance

Design Hub Website

- Developed modern, responsive web application using React.js
- Built reusable components for efficient development and maintainability
- Implemented state management using React Hooks
- Added routing via react-router-dom for seamless navigation
- Optimized performance through code splitting and lazy loading

Front-End Developer (Part-Time) | **ITC Tanta** | Jan 2024 – Jan 2025

- Collaborated with UX/UI designers to build a full-featured E-Commerce website using Angular 17
- Built an interactive banking system for account management and transfers using HTML, CSS, and JavaScript
- Created a responsive Hospital website using Bootstrap 5 with ES6 JavaScript functionality
- Developed a company landing page showcasing services, goals, vision, mission, and contact sections

BANKING EXPERIENCE

Growth Banker | **CIB — Commercial International Bank** | *Oct 2023 – Jun 2025*

- Served as the primary relationship point for corporate clients, handling complex inquiries and delivering tailored banking solutions
- Proactively identified cross-selling and upselling opportunities for corporate banking products and services
- Managed onboarding of new corporate clients, ensuring a smooth and compliant account-opening process
- Monitored client portfolios and provided regular performance reviews and financial insights
- Coordinated with internal departments (credit, operations, compliance) to fulfill corporate client needs
- Ensured full adherence to regulatory requirements and internal policies throughout all client interactions

Senior Teller | **CIB — Commercial International Bank** | *Dec 2020 – Oct 2023*

- Handled complex customer inquiries and complaints, providing expert guidance on bank products and services
- Processed high-volume transactions — deposits, withdrawals, transfers, and currency exchanges — with precision and efficiency
- Approved transactions and overrides within designated authority limits, ensuring compliance and accuracy
- Trained and supervised junior tellers, mentoring them on bank procedures, policies, and customer service standards
- Managed daily cash supplies for the branch, balancing adequate availability with minimised excess cash on hand
- Maintained strict adherence to regulatory requirements and security protocols to safeguard assets and prevent fraud

Receivable & Procurement Accountant | **Yathrib For Construction & Buildings** | *Jan 2020 – Dec 2020*

- Generated and issued accurate invoices, ensuring timely delivery to clients and suppliers
- Tracked outstanding receivables and followed up on overdue accounts to maintain healthy cash flow
- Managed collections process, liaising with clients to resolve payment discrepancies and disputes
- Conducted credit risk assessments and established credit limits for new and existing customers
- Prepared and presented regular financial reports covering receivables aging and procurement spend
- Maintained vendor relationships, verified purchase orders, and ensured procurement documentation accuracy

Volunteer — Chairman, Scientific Committee | **Faculty of Commerce, Tanta University** | *Jan 2016 – Aug 2018*

- Led the scientific committee of the Faculty of Commerce student union, organising academic events and workshops
- Coordinated with faculty members and students to promote academic excellence and research initiatives

PROJECTS

DevFolio Website

- Portfolio template showcasing experience, projects, about section, and contacts — built with Pure JavaScript

Kasper Template

- Landing page presenting company products and services with a clean, responsive layout
